

Spillover Spas

Vanishing Edge

Lounge

Bench

Alps Spillover spas are designed to enhance the beauty of your swimming pool while providing hydrotherapy enjoyment for your family and friends. Models come complete with twelve stainless steel hydrotherapy jets. Adding a spillover spa to your pool creates the perfect "hot spot" for family and friends to soak and enjoy the benefits of hot water therapy!

* Models shown have optional underwater light.
* Models subject to change without notice

Building Excitement For Your Pool

Standard Options

Available in Bullnose and Cantilever

6' x 9' Curved Bullnose Step

6' x 9' Curved Cantilever Step

8' Straight Bullnose Step

8' Straight Cantilever Step

6' Straight Cantilever Step

2' In Wall Ladder

8' x 9' Curved Bullnose Step
8' x 9' Step Also Available For 48" Walls

10' Roman Cantilever Step

Alps functional design incorporates comfortable seating areas on both the first and third tread on several of our models. The third tread seating provides adults the added ability to remain submerged from the chest area downward while sitting back, relaxing, and enjoying the benefits of refreshing pool water.

- All Models available in white, grey, and blue.

Ask your dealer for liner patterns that blend beautifully with our grey and blue steps

CHOOSE YOUR REBELLION

Limited
Edition
2020

- Printed liner pattern on all straight cantilever acrylic steps 8' or less. This is not a vinyl over steel step.
- Avoid top step loose fitting liners.
- Avoid step wrinkles
- Haircell textured acrylic has much less chance of slipping vs vinyl over steel steps.
- Print can not be scratched or bleached with chemicals.
- Step skin soon available for new patterns when liner is replaced in 10+ years

Available Patterns

Blue Diffusion

Grey Stone

This is Not vinyl over step; it's a printed step matching the Blue Diffusion and Grey Stone pattern.

Vinyl Over Endless Step

- Add a 2' or 8' section to build an ENDLESSNESS step to any rectangle vinyl pool
- Easy to install inside the pool to go the entire width of the pool for full stadium style seating.
- As solid as poured concrete but no forms required.

Swim-Out Steps

8' Roman Cantilever Swim-Out

Deep End Swim-Out Step

8'x9' Curved Cantilever Swim-Out

6' Straight Swim-Out

6' Corner Step
(Cantilever Only)

ALPS offers options for deep end swim out steps as well as entry systems for pools with automatic covers. Our Ergonomically designed Swim-Out Steps allow for the ability to not only walk into the pool but also allows you to do it comfortably from the deep end of the pool! Your Dealer can install (optional) 6 direct pressure upper and lower hydrotherapy spa jets. Join in the fun with family and friends in your pool while relaxing in an ergonomically designed seats!

* Models shown have optional hydrotherapy jets.
